Terms and conditions:

The **Club** offers the **Course** at the **Venue** to the **Associate Member** in exchange for the **Course Fee**.

The **Course** will run for the **Duration** over the **Course Dates**. In the event of any **Course Date** being cancelled by the **Club**, the **Associate Member** will be notified of replacement dates to make good the 8 weeks of training.

In addition to the **Course** which is intended to be attended by the **Associate Member** and the **Dog**, the **Associate Member** is encouraged to attend the **Course Induction** session (when made available) without the **Dog** being present. The **Course Induction** session gives the **Associate Member** the chance to become familiar with the **Club**, its trainers and committee. It also takes care of a lot of the administration tasks that would otherwise be done at the first training session.

The **Associate Member** has a statutory cooling off period of 14 days from the **Course Booking Date**. Cancellation by the **Associate Member** during the cooling off period must be made in writing to the **Club's** Membership Secretary. If the cancellation is made before the **Course Induction Date**, the **Course Fee** will be refunded in full. If the cancellation is made after the **Course Induction** has started, the refund amount will be reduced by £10 for each **Course Induction Date** or **Course Date** which has passed by the date of cancellation. No refund will be made for cancellation by the **Associate Member** made beyond the cooling off period.
